TSW After School Policy:

Children attending TSW's after school must comply with all TSW rules and regulations. Parents will receive a TSW Parent Handbook containing all policies and procedures. All families must complete enrollment paperwork and tuition fees.

How it works:

TSW staff member(s) pick up the children from Daniel Webster at the end of the school day. Daniel Webster school should have a list they've created via parental notification of who will be going to "Tati's". Tati's afterschool children are grouped together and wait to be received by a "Tati's" staff member.

Our Tati's staff member has her own list and verifies that everyone is present. Children are walked over to the center. Once at the center, they wash hands and get ready for snack time.

After snack time they are assisted with any homework. Children who do not have homework will be provided with developmentally appropriate enrichment activities. Once homework is completed children are allowed to play with games and materials provided for their age group.

Afternoon Park time is also offered if time allows. Children will visit Gregory Park or the school yard.

After School Pricing:

\$85 (Weekly)

\$35 Half Days (Daily)

\$45 Holiday/Full Days (Daily)
