

Policy on Methods of Parental Notification

It is very important at Tati's Small World Learning Center that we have open communication with all our parents and staff members.

We use many forms for communication to notify parents and staff members of news, reminders, updates, emergencies, changes to programs/calendars, etc.

Lines of communication include...

- Telephones

Office: 201-863-7132

- Tadpoles

- Instagram : <https://www.instagram.com/tatissmallworldlearningctr/?hl=en>

- Written "hard copies" given out in tote bags

- E-mails

Tatissmallworldlearningctr@gmail.com

If parents need to contact Tati's Learning Center director/staff member please use the phone or email methods of communication.
